Mr. Robert B. Zaitooni, P.E.
American Traffic Solutions
7681 East Gray Road
Scottsdale, AZ 85260

Dear Mr. Zaitooni:

This approves the American Traffic Solutions (ATS) red light running camera standard structural details and design calculations for use on State Roads. This approval is for structure installations in conformance with:

- Sheet Nos. 6 – 10 of the new generation standard structural details signed and sealed by you on December 23, 2011; and
- the new generation aluminum pole and spread foundation structural analysis signed and sealed by David Finley on December 16, 2011.

This approval supersedes all previous ATS structural design approvals issued by my Office. This approval does not include, nor is it an endorsement of any ATS red light running camera equipment.

If you have any questions, please contact Mr. Trey Tillander at (850) 921-7361.

Sincerely,

Mark C. Wilson, P.E.
State Traffic Operations Engineer
