Description:

The work under this Work Document-driven contract consists of removal of various species of trees and stump grinding within the right-of-way of state-maintained roadways in Jackson & Washington Counties. Tree and/or brush trimming may be necessary at some locations where trees are designated for removal; tree and/or brush trimming necessary only for accessing trees specified by the Department for removal is incidental to the contract pay items for tree removal and no separate compensation for these activities will be provided. Trimming of trees for other reasons may be occasionally required, and any associated compensation will be in accordance with the contract pruning and trimming pay items. Work also consists of the removal and disposal of waste and debris generated in the performance of this contract. Locations of trees to be removed and/or trimmed will be determined by the Department and provided to the contractor by the issuance of a Work Document on an as-needed basis. Maintenance of Traffic and Mobilization will be incidental to the pay items provided.

This contract will have a budgetary estimate of $200,000.00.
