Description:

The Improvements under this Work Document-driven Contract consist of pruning and trimming of trees and underbrush for creating a corridor within the right of way along various state roads within Walton County. The purpose of this work is for clear zone maintenance and address sight distance safety issues. The height of the cut shall be a minimum of twenty (20) feet measured vertically from the white edge line. The trim line shall be the right of way line or (30) feet measured horizontally from the white edge line, whichever is less.

This contract has a budgetary estimate of $250,000.00.

Mobilization and Maintenance of Traffic are incidental to the pay item listed.
